Where Can I Get Help?

Average CT Annual Costs for:
Refer to the back of this page for payment source options.

**Companion or Homemaker**  
$16 to $25 per hour  
Companion provides company to participants in a protective and supervisory capacity. It may include such home management activities as cooking and light housekeeping. Homemakers perform home management functions. These functions may include cooking, cleaning, laundry, mending or other light household chores. Although homemaker services are similar to companion services, they differ in that the primary emphasis in homemaker services is on the performance of home management functions while the primary emphasis in companion services is on the provision of supervision and companionship. In Connecticut, plan on it costing anywhere from $16 to $25 per hour, the median is $20 per hour. The values given here do not include the costs of a skilled medical worker like a nurse or therapist. You must add those expenses (and any other) to the costs shown here to estimate the full cost of Home Health Care.

**Home Health Aide**  
$16 to $33 per hour  
A Health Aide is not the same as a skilled medical worker like a nurse or therapist. The Health Aide is trained to provide ongoing support with Activities of Daily Living (ADL’s) such as bathing, dressing, transferring, eating, toileting, or continence. In Connecticut, plan on it costing anywhere from $16 to $33 per hour, the median is $22 per hour. The values given here do not include the costs of a skilled medical worker like a nurse or therapist. You must add those expenses (and any other) to the costs shown here to estimate the full cost of Home Health Care.

**Adult Day Health Care**  
$20,150  
The median cost of Adult Day Health Care was $78 per day ($20,150 for 5 days a week for 52 weeks). Day Care has Medical or Social Models. Day Care provides personal care for dependent adults in a supervised, protective, congregate setting during some portion of a twenty-four hour day. Services offered in conjunction with adult day care frequently include social and recreational activities, training, counseling and meals for adult day care participants while at a facility. Day Care programs may also provide services such as rehabilitation, medication assistance and personal care assistance.

**Assisted Living**  
$66,900  
The median cost of Assisted Living in Connecticut is $5,575 per month (range is $2551 to $10,800) depending on location and other factors. This is based on 12 months of care, single occupancy, and one bedroom.

**Nursing Home - (Semi-Private Room)**  
$146,000  
The median daily cost for a semi-private room in a nursing home was $400 (range is $195 to $480). $146,000 is the median annual rate (daily rate x 365 days).

**Nursing Home - (Private Room)**  
$158,775  
The median daily cost for a private room in a nursing home was $435 (range is $215 to $505). $158,775 is the median annual rate (daily rate x 365 days).
